CHOCOLATE SPOONS

Materials

- 3 wooden spoons
- 2 chocolate bars
- 1 stirring stick
- 1 peppermint candy
- 1 paper cup filled with sprinkles and marshmallows

Using the paper cup, **melt** the chocolate in a microwave for about **45 seconds**.

Cover the spoons in melted chocolate and **decorate** with crushed candy, marshmallows, and sprinkles.

Once the chocolate is dry, **dip and stir** the spoons in hot cocoa or warm milk. **Enjoy!**

Did you know?

The first chocolate drink is believed to have been created by the Maya around 2,500–3,000 years ago, and was served cold with chili peppers mixed in.
